

MSAC to educate fair goers about sediment problems in Missouri River reservoirs

Learn more about problems associated with accumulating sediment in the Missouri River reservoirs at the South Dakota State Fair in Huron, Thursday, Sept. 1 through Monday, Sept. 5.

The Missouri Sedimentation Action Coalition is hosting a booth in the Arts and Education building. Video presentations will run twice daily giving viewers glimpses of the sediment problem and history of the Missouri River reservoir system. There will be time for comments following each presentation.

Catch the videos at the following times:

- Thursday, Sept. 1:** 9 a.m. (8 minute video);
1 p.m. (30 minute video narrated by Tony Dean)
- Friday, Sept 2:** 9 a.m. (8 minute video);
12 Noon (30 minute video narrated by Tony Dean)
- Saturday, Sept 3:** 9 a.m. (8 minute video);
12 Noon (30 minute video narrated by Tony Dean)
- Sunday, Sept. 4:** 9 a.m. (8 minute video);
1 p.m. (30 minute video narrated by Tony Dean)
- Monday, Sept. 5:** 9 a.m. (8 minute video);
1 p.m. (30 minute video narrated by Tony Dean)

MSAC will unveil its new, full-color display with aerial and historical photos. Special thanks to First Savings Bank in Springfield, Planning and Development District III in Yankton, and MSAC members for making the display possible.

The public is invited to stop by the booth for more sediment information or to join the coalition. It will be open 9 a.m. until 8 p.m. Thursday through Monday. For more information call 605-464-0948 and talk to Sandy Korkow, executive director.
